

# COROLLA GR SPORT

**TOYOTA**

ALWAYS A  
**BETTER** WAY

# INSPIRED BY TOYOTA GAZOO RACING

Thanks to a truly incredible team, TOYOTA GAZOO Racing is continuing a tradition of Toyota victories stretching back to 1975. In 2018, we picked up the Manufacturers' Title at the World Rally Championship, before winning the gruelling 24 Hours of Le Mans two years in a row. The racetrack keeps inspiring the design of our cars, just like the Corolla GR SPORT – its sharp, dynamic style is destined to take your breath away.

## A LOOK THAT'S ACTIVE YET REFINED

Sporty, dynamic and ready to go: from the hot-stamped grille with a lower skirt and piano black surround to the bold rear diffuser, eye-catching details like the GR-red wheel cap rings and side rockers with black inserts reinforce the athletic credentials of this striking Corolla.

Hybrid

COROLLA GR

# A HYBRID THAT'S FUN TO DRIVE

A 2.0 litre Hybrid engine delivers plenty of power for an emotional drive, or you can opt for a responsive 1.8 litre Hybrid. Whichever you choose, you'll enjoy the ideal balance between handling and comfort.

## HYBRID

### 2.0 l Hybrid Dynamic Force e-CVT

Power **184 DIN hp**  
Fuel consumption\* **4.9–5.4 l/100 km**  
CO<sub>2</sub> emissions\* **112–122 g/km**  
Acceleration 0–100 km/h **7.9 seconds**

## HYBRID

### 1.8 l Petrol Hybrid e-CVT

Power **122 DIN hp**  
Fuel consumption\* **4.4–5.0 l/100 km**  
CO<sub>2</sub> emissions\* **102–113 g/km**  
Acceleration 0–100 km/h **10.9 seconds**

e-CVT = electronically controlled  
Continuously Variable Transmission

\* Combined cycle.

# A CABIN WITH A STYLISH SPORTY FEEL

The driver-focused cabin has a clean and stylish feel with subtle yet distinctive sports styling. GR SPORT scuff plates set the mood, and the sleek look continues with red accents throughout, including the steering wheel, gear shift and a unique seat trim that draws the eye up to the striking satin chrome inserts. Intuitive technology is designed to make every journey a pleasure. A multimedia system with Apple CarPlay™ and Android Auto™ keeps you effortlessly connected.

1. GR SPORT scuff plates

2. Satin chrome seat inserts

3. Multimedia system with smart connectivity

Smartphone integration is compatible with Apple CarPlay™ and Android Auto™. Your phone needs to be connected via USB. Apple CarPlay™ is available on iPhone 5 and above. Android Auto™ is available for downloading on phones running 5.0 (Lollipop) or higher. Check the availability for your countries. Apple CarPlay™ is a registered trademark of Apple Inc. Android™ and Android Auto™ are trademarks of Google LLC.

# DRIVE WITH CONFIDENCE

Everything we do starts with your safety. The innovative Toyota Safety Sense package anticipates potential hazards and helps you respond more effectively. You'll also benefit from a smooth and hassle-free drive, thanks to a range of intelligent driver aids. So your journey is safer and more relaxed than ever before.

*Features:*

## **1. Road Sign Assist**

*Monitors the road signs ahead, displaying useful information such as the current speed limit on the TFT cockpit display.*

## **2. Pre-Collision System**

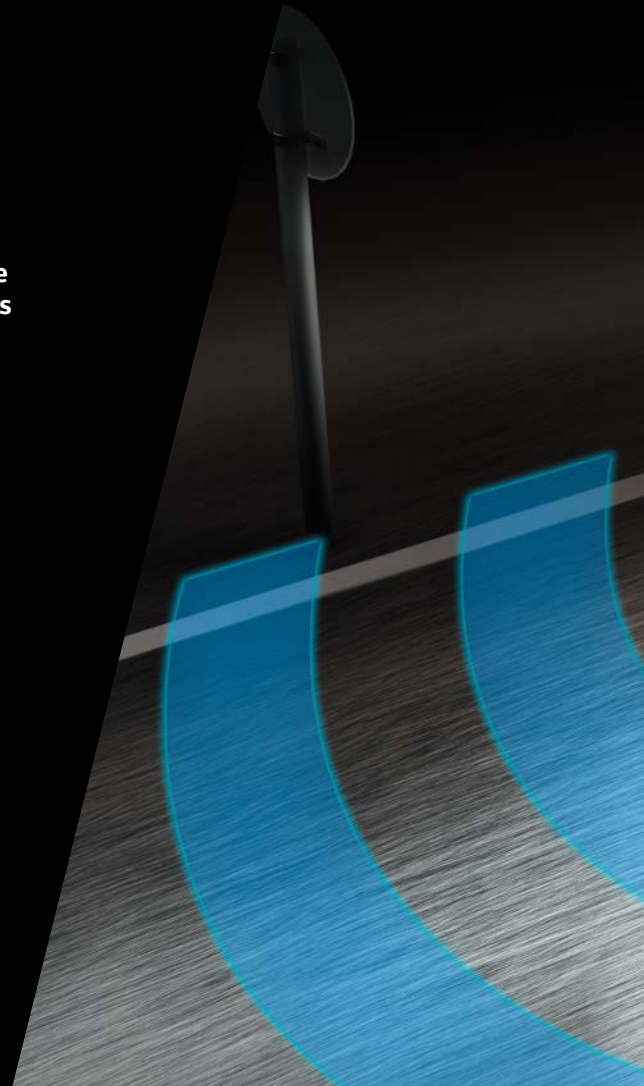

*Detects vehicles in the road ahead. When the possibility of a collision is detected, the driver is alerted. If the driver doesn't react, the brakes engage automatically.*

## **3. Lane Trace Assist**

*If the car begins to drift from the centre of the lane unintentionally, steering assist is applied to correct its course.*

## **4. Automatic High Beam**

*Detects the lights of oncoming vehicles. It switches automatically between high and low beam.*

Towing capacity without brakes (kg)	450	450

## SUSPENSION

Front	MacPherson strut
Rear	Double wishbone

## BRAKES

Front	Ventilated disc
Rear	Disc

The fuel consumption and CO<sub>2</sub> values are measured in a controlled environment on a representative production model, in accordance with the requirements of the new WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and CO<sub>2</sub> values may be calculated based on the ordered optional equipment. The fuel consumption and CO<sub>2</sub> values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and CO<sub>2</sub> emissions. For more information regarding the new WLTP test method, please visit: <https://www.toyota-europe.com/world-of-toyota/feel/environment/worldwide-harmonized-light>
